Project submission deadline is extended to January 15th, 23:59. There will not be any late submission penalty for this extension, and an extra late submission will be available until Tuesday morning 09:00. However, you will not be able to submit onwards, even with any penalties. Only Sucourse submissions are accepted, so please do not send any emails with any project files. Try to complete your projects as much as you can until the deadline. !
